#### Read What Our Clients are saying:

*“We felt that the Bridgehead/Hosted Telco product fit our needs, and fell well within the cost factors we were looking to maintain. Since the change, we have experienced a solid growth pattern and the system has fulfilled our requirements...”*

*“The main factor/feature for me was the ability to bypass five or six operators from our remote clinics for all of our internal calls. The ability to directly (and more quickly) connect with our co-workers has made us a more cohesive organization.”*

*“Integration with our computer system, ease of use, and call history feature is GREAT!”*
